

Service after the project is complete:

1. We will respond to any issue within 24 hours via phone and we will be on site within 24 to 48 hours to resolve the problem.
2. We give a one-year warranty to any defects in product or workmanship (as long as proper job conditions occurred on in the project).

I look forward to doing business with you in the future. Please feel free to contact any of our references; they are the best sales tools that we have.

Thank you
